Red Lake Pennsylvanian Field

Mr. A. L. Porter (3)
New Mexico Oil Conservation Commission
Box 871
Santa Fe, New Mexico

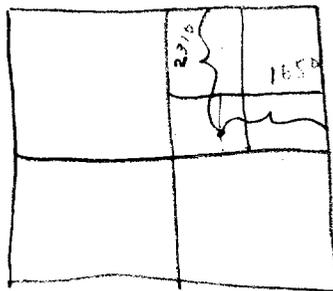

Dear Sir:

Pan American Petroleum Corporation respectfully requests that a hearing be docketed on its application for approval of an unorthodox location for its Malco "M" No. 1 located on Pan American's Malco "M" Lease. This well is to be a dual completion in the Empire Abo Oil Pool and the Red Lake Pennsylvanian Gas Pool. It is located 330' FSL and 330' FEL of the SW/4 of the NE/4 of Section 4, T-18-S, R-27-E, Eddy County, New Mexico. Such a location is orthodox for the Empire Abo Oil Pool, but is unorthodox with respect to the Red Lake Pennsylvanian Gas Pool which is governed by Rule 104 (D) (1).

Yours very truly,

Neil S. Whitmore
