Re: Case No. 2425/ Scheduled  
For Examiner Hearing on  
November 8, 1961

Gentlemen:

Please be advised that Gulf Oil Corporation has no serious objection to the application of Iverson & Welch in the above referenced case. It is noted, however, that a portion of the proposed horizontal limits of the North Shugart Pool includes the N/2 N/2 Section 22, Township 18 South, Range 31 East. This would split Gulf's Federal-Littlefield "AB" Lease, putting part of it in the North Shugart Pool and the remainder in the Shugart Pool.

It is recommended, providing the Iverson & Welch application is approved, that the portion of Section 22, described as the N/2 N/2 be deleted from the proposed horizontal limits of the North Shugart Pool, and this acreage be included in the proposed horizontal limits of the Shugart Pool.

Yours very truly,

W. A. Shellshear
