Case 2662

File: WJS-3455-986.510.1

Subject: Application for Permission to Triple Complete the Pan American Petroleum Corporation South Mattix Unit Well No. 14 in the Fowler Paddock (Gas)- ~~Blaine~~ Blinebry (Oil)- and Tubb (Gas) Undesignated Pools Lea County, New Mexico

Mr. A. L. Porter, Jr.
Secretary Director
New Mexico Oil Conservation Commission
Post Office Box 871
Santa Fe, New Mexico

Dear Sir:

In accordance with the provision of Statewide Rule No. 112, Pan American Petroleum Corporation respectfully requests that you schedule for an early docket a hearing to consider its application for permission to triple complete the subject well in the pools specified above. As shown on the enclosed plat, this well is located on Unit K of Section 15, T-24-S, R-37-E, Lea County, New Mexico.

In support of this application, we enclose herewith three copies of State Form, Application for Multiple Completion, and a lease plat showing the well's location and Fee names and names of offsetting operators.

This triple completion will be a "conventional" completion in 7" casing utilizing separate tubing strings for each producing zone and packers between producing zones. By copy of this letter, we are advising the offset operators of this application.

By our letter of September 11, 1962, File: WJS-3452-986.510.1, we have requested that you schedule a hearing regarding Pan American's application to triple complete its Southland Royalty "A" No. 2. As explained in this letter, we would like to have both of these hearings scheduled on the same docket.

Yours very truly,

A. J. Inderrieden
