Attention: Mr. R. L. Stamets

Gentlemen:

I have your letter of March 26, 1963, requesting information on the Vandagriff Keyes gas storage operations of Southern Union Gas Company.

We have discontinued storing gas in the Vandagriff wells located in Section 5, T-16S, R-28E, but are still utilizing wells circled in red on the enclosed plat as part of our Keyes project. Acreage colored in yellow is owned by Southern Union and Southern Union has acquired the gas rights under all of the acreage colored in blue.

These old wells were drilled in the 1920's and 1930's, and we have no information in our files except for total depth and amounts of casing. If this will be of any benefit, please advise and we will tabulate the information for you.

If, after receiving this information, you have further questions, please feel free to call me collect at Riverside 8-8511, Dallas, Texas.

Yours very truly,

SOUTHERN UNION PRODUCTION COMPANY
