Case 3834

Oil Conservation Commission
State of New Mexico
P. O. Box 871
Santa Fe, New Mexico

Re: Proposed Runyan Ranch Unit
Eddy County, New Mexico

Gentlemen:

Enclosed for consideration are two (2) copies of the unit agreement for the subject unit proposed by Tom Brown Drilling Co., Inc., of Midland, Texas.

Also enclosed are the following:

1. Copy of letter dated March 26, 1963, from the Acting Director, U. S. Geological Survey, designating the unit area, and accepting the proposed drilling requirement and form of unit agreement with certain conditions.
2. Copy of letters dated May 10 and May 23 to the Commissioner of Public Lands concerning the area and form of unit agreement.

It is respectfully requested that you enter this case on the docket for the next examiner hearing. Kindly acknowledge and advise the date of hearing in Santa Fe.

Very truly yours,

TOM BROWN DRILLING CO., INC.
