Gentlemen:

Pan American Petroleum Corporation has been informed of the docketing of a hearing on October 16, 1968 to consider William A. and Edward R. Hudson's request for an exception to the statewide "No Pit" order so that the use of surface pits for the disposal of water might be continued in the Tonto Yates & Seven Rivers West Pool. Pan American hereby supports Hudson in their request for an exception for all wells in the field and also will support their alternative proposal that the area excepted from the provisions of Order 3 of Order R-3221 by Order No. R-3221B be extended to include the lands comprising the Tonto Yates & Seven Rivers West Pool.

Yours very truly,

*D. L. Ray*
