Case 2768

Mr. A. L. Porter, Jr.
Secretary Director
New Mexico Oil Conservation Commission
P. O. Box 791
Santa Fe, New Mexico

Dear Mr. Porter:

Humble Oil and Refining Company hereby requests an exception to Rule 303 of the Rules of the New Mexico Oil Conservation Commission. The exception is requested to permit the commingling without separate metering of the production from the Paddock, Penrose-Skelly, and Drinkard pools on Humbles J. L. Greenwood Lease located in the South Half of Section 9, Township 22 South, Range 37 East, Lea County, New Mexico.

It is my understanding that all wells producing from the above pools located on the above lease are non-top allowable wells.

It is requested that this application for Exception to Rule 303 be set down for hearing on the first available Examiner Docket.

Very truly yours,

HERVEY, DOW & HINKLE
