Re: Application for Exemption
to R-3221

Gentlemen:

I am the operator of a one well lease carried as Kimsey and Cahoon #1 P. R. Bass-Federal, located in Lot 6, Section 3, T-16-S, R-30-E, Eddy County, New Mexico, and said well is producing from 12 to 14 barrels of water per day.

It will be appreciated if I could be granted a hearing, preferably on May 21, 1969, in order to present evidence for obtaining an exemption to the above captioned regulation.

I will provide a water analysis from my well and from any surrounding fresh water wells, and the location of said fresh water wells at the hearing.

I am enclosing a plat of this particular well and the area adjacent to same.

Yours very truly,

Roy E. Kimsey, Jr.
