Gentlemen:

In accordance with the provisions of Division Order No. R-4193, Case No. 4575 is being reopened in order to allow all operators in the South Eunice-San Andres Pool in Lea County, New Mexico, to appear and present evidence as to whether or not the Anadarko Production Company Lou Wortham Well No. 6 located in Unit E of Section 11, Township 22 South, Range 37 East, NMPM, Lea County, New Mexico, is in fact a gas well; whether or not the subject pool is in fact an associated reservoir; and whether or not the limiting gas-oil ratio should revert to 2000 cubic feet of gas for each barrel of oil produced.

Our records show that you have producing wells in the South Eunice-San Andres Pool, and this letter is your notice that Case No. 4575 will be reopened and heard at the Examiner Hearing to be held on August 28, 1985, in the Oil Conservation Division Conference Room, State Land Office Building, Santa Fe, New Mexico.

A copy of the docket for this hearing will be mailed to you within the next week.

Sincerely,

Florene Davidson
