1 MR. NUTTER: We will now Call Case Number 5262.

2 MR. CARR: Case 5262, in the matter of Case 5262
3 being reopened pursuant to the provisions of Order No. R-4822-B
4 which order extended the special pool rules for the Southwest
5 Media-Entrada Oil Pool, Sandoval County, New Mexico.

6 MR. KELLAHIN: If the Examiner please, these pool
7 rules were adopted on the application of the Petro-Lewis
8 Corporation and when this was placed on the docket we did
9 notify the engineer with whom we had been dealing in the past.
10 I just called Petro-Lewis and that engineer has left the
11 company and our letter apparently went astray so we do ask
12 that this case also be continued as ~~and~~ they would like to appear
13 in support of the rules.

14 MR. NUTTER: We could continue it to the hearing
15 scheduled for September 15th, Mr. Kellahin, but that's a
16 heavy docket.

17 MR. KELLAHIN: They have a new engineer on here
18 and it would help if he could have until the 29th to prepare
19 for this if that's agreeable.

20 MR. NUTTER: That would be helpful to us, too, sir.

21 Case Number 5262 will be continued to the examiner
22 hearing scheduled to be held at this same place at nine o'clock
23 A.M., September 29th, 1976.

24 MR. KELLAHIN: Thank you, Mr. Nutter.

25 MR. NUTTER: The hearing is adjourned.
