Re: Case No. 6537
Harper Oil Company
West Ranger Lake Unit
Lea County, New Mexico

Dear Dan:

This will confirm our telephone conversation of this afternoon in connection with the above referenced case. My client, Harper Oil Company, has advised me that although Harper has received informal assurances by all of the various working interest owners and lessees of record as to their joinder in connection with the formation of the above referenced Unit, as of this writing they have not actually received executed copies of the Unit Agreement or ratification and joinder instruments from every party. Accordingly, in order to provide additional time within which to obtain the remaining joinders by the outstanding interest owners, we respectfully request a continuance of the hearing on this matter, now scheduled to be heard on the docket of May 9.

Please continue this matter such that it is placed on the docket for hearing on June 13, 1979 or as soon thereafter as is convenient for the Division.

If you need any additional information or if you have any questions in connection with this request for a continuance, please call me.

Thank you.

Very truly yours,

HINKLE, COX, EATON,
COFFIELD & HENSLEY
