BY: **WILLIAM F. CARR, ESQ.**

1 EXAMINER CATANACH: At this time I'll
2 call Case 10537 and Case 10538, which are similar
3 applications, the applications of American Hunter
4 Exploration, Ltd., for an unorthodox oil well
5 location and a nonstandard oil proration unit in
6 Rio Arriba County, New Mexico.

7 MR. CARR: May it please the Examiner,
8 these cases were heard four weeks ago. The
9 locations were moved shortly before that hearing
10 as a result of on-site inspections. Because of
11 the variances in the actual well locations in
12 what had previously been advertised, the cases
13 had to be continued and readvertised to this
14 date.

15 The locations reflected in these
16 advertisements or in these legal ads in the
17 notice of this case are the correct locations for
18 these wells, and they will be drilled at these
19 locations.

20 We have nothing further in either of
21 these cases.

22 EXAMINER CATANACH: Is there anything
23 further from anyone else in either of these two
24 cases?

25 There being nothing further, Cases

1 10537 and 10538 will be taken under advisement at
2 this time.

3 (And the proceedings concluded.)
