Re: Application of Manzano Oil Corporation for an Unorthodox Well Location,
Lea County, New Mexico

Gentlemen:

This letter is to advise you that Manzano Oil Corporation has filed the enclosed application with the New Mexico Oil Conservation Division seeking approval of an unorthodox well location for its Neuhaus Federal No. 2 Well in the Wolfcamp formation. This well was drilled at an unorthodox location 660 feet from the North line and 1650 feet from the East line of Section 14, Township 20 South, Range 35 East, N.M.P.M., Lea County, New Mexico. The E/2 of Section 14 will be dedicated to this well.

This application has been set for hearing before an Examiner of the Oil Conservation Division on August 12, 1993. You are not required to attend this hearing, but as an owner of an interest that may be affected by the unorthodox well location, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases have been requested by the Division (Memorandum 2-90) to file a Prehearing Statement substantially in the form prescribed by the Division. Prehearing statements should be filed by 4:00 o'clock p.m. on the Friday before a scheduled hearing.

Very truly yours,

WILLIAM F. CARR
