Gentlemen:

MEMORANDUM

Hobbs, New Mexico  
February 13, 1989

AMERIND OIL COMPANY  
CONDITIONAL WAIVER OF OBJECTION  
UNORTHODOX LOCATION  
J. R. HOLT WELL NO. 2  
SHIPP STRAWN OIL POOL  
LEA COUNTY, NEW MEXICO

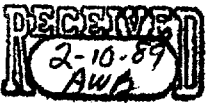

M. F. COHLMIA  
Midland

In reference to Amerind's conditional waiver of objection for the unorthodox surface location of the J. R. Holt No. 2 well, the Hobbs Division agrees to the following:

- 1) Chevron will waive objection to any Amerind operated well with an unorthodox surface location in the S/2 of the NW/4 Section 2, T17S-R37E, provided such location is no closer than 420 feet from a lease line. As this tract is the only Amerind operated lease adjacent to and affected by the J. R. Holt #2 location, we feel that a simultaneous waiver on Chevron's part should be limited to that lease. Our commitment to this simultaneous waiver will be for a period of 1 year from the completion date of the J. R. Holt #2 well.
- 2) Chevron will give full consideration to any future application by Amerind for waiver of objection in the remainder of Section 2, T17S-R37E.

Gentlemen:

Per our telephone conversation earlier this week and per an earlier conversation between Mr. Mickey Cohlma and Mr. Bill Seltzer, Amerind's land consultant, Amerind agrees to waive any objection provided Chevron simultaneously agrees to waive objection to any similarly unorthodox surface location that Amerind might propose in the same section (i.e. 420 feet from a lease line). The waiver form has been modified to incorporate this provision.
