Re: Application of Mobil Producing Texas-New
Mexico, Inc. for Compulsory Pooling;
Case No. 9626

Dear Bill:

Following the filing of the pooling Application in this case, Mobil has continued to work with other interest owners in the affected acreage and has successfully reached agreement with those parties. In view of the parties' agreement about the drilling and operation of this well, a hearing to pool this acreage will not be necessary.

Please dismiss the Application of Mobil Producing Texas New Mexico, Inc. for compulsory pooling of the South half of Section 17, Township 17 South, Range 35 East, OCD Case No. 9626.

Thank you for your assistance with this matter.

Sincerely,

W. Perry Pearce
