Re: Application of Nearburg Producing Company for an  
Unorthodox Well Location, Lea County, New Mexico

Dear Mr. Gillespie:

This letter is to advise you that Nearburg Producing Company has filed an application with the New Mexico Oil Conservation Division seeking approval of an unorthodox well location for its Mary Ann 12C #1 Well to be drilled at a point 990 feet from the North line and 1500 feet from the West line of Section 12, Township 17 South, Range 37 East, N.M.P.M., Lea County, New Mexico. Nearburg Producing Company also seeks approval of the well's unorthodox location in the Strawn formation, Northeast Lovington Penn Pool.

This application has been set for hearing before a Division Examiner on May 10, 1989. You are not required to attend this hearing, but as an owner of an interest that may be affected by the unorthodox well location, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging this application at a later date.

Very truly yours,
