312(c) Before commencing construction all treating plants shall have a surety or cash bond in the amount of \$25,000, in a form approved by the Division, conditioned upon compliance with statutes of the State of New Mexico and rules of the Division, and satisfactory clean-up of site upon cessation of operation, in accordance with Part (i) of this Rule. If a bond has been secured for a commercial surface waste disposal facility permit at the location, that bond shall be sufficient for the treating plant portion of the facility, providing they are contiguous. If an adequate bond is posted by the applicant with a federal or state agency and the bond otherwise fulfills the requirements of this rule, the Division may consider the bond as satisfying the requirement of this rule. The applicant must notify the Division of any material change affecting the bond filed for the site and must, in any case, report the status of their bond annually to the Division;
