RE: PROPOSED SHIPP #1-10  
11,600' STRAWN TEST  
E/2 SE/4 OF SECTION 10-17S-37E  
LEA COUNTY, OKLAHOMA

Gentlemen:

Grand Production Company proposes the drilling of the captioned well, to be commenced within the next 180 days.

Enclosed please find our AFE for this well. If you intend to participate in the drilling of the well, please execute and return one copy of the AFE. In lieu of your participation, we will accept one of the following:

1. Sell your interest to Grand for \$150.00 per net acre.
2. Farmout your interest to Grand wherein you would retain a 1/8th of 8/8ths overriding royalty interest, proportionately reduced, said override to absorb all burdens in excess of the standard 1/8th landowner's royalty.

Your earliest consideration of this proposal will be appreciated. Should you have any questions, please advise.

Sincerely,

GRAND PRODUCTION COMPANY

  
John F. Vaughan  
Land Manager

Re: Application of Grand Production Company for Compulsory Pooling, Lea  
County, New Mexico

Dear Mr. Altringer:

This letter is to advise you that Grand Production Company has filed an application with the New Mexico Oil Conservation Division seeking the force pooling of all mineral interests to the base of the Atoka formation for any and all formations and/or pools developed on 80-acre spacing, in and under the E/2 SE/4 of Section 10, Township 17 South, Range 37 East, N.M.P.M., Lea County, New Mexico. Grand Production Company proposes to dedicate the referenced pooled unit to a well to be located at a standard location in the E/2 SE/4 of said Section 10.

This application has been set for hearing before a Division Examiner on November 29, 1989. You are not required to attend this hearing, but as an owner of an interest that may be affected by this application, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Very truly yours,

WILLIAM F. CARR

Re: Application of Grand Production Company for Compulsory Pooling, Lea  
County, New Mexico

Dear Dr. Niebaum:

This letter is to advise you that Grand Production Company has filed an application with the New Mexico Oil Conservation Division seeking the force pooling of all mineral interests to the base of the Atoka formation for any and all formations and/or pools developed on 80-acre spacing, in and under the E/2 SE/4 of Section 10, Township 17 South, Range 37 East, N.M.P.M., Lea County, New Mexico. Grand Production Company proposes to dedicate the referenced pooled unit to a well to be located at a standard location in the E/2 SE/4 of said Section 10.

This application has been set for hearing before a Division Examiner on November 29, 1989. You are not required to attend this hearing, but as an owner of an interest that may be affected by this application, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Very truly yours,

WILLIAM F. CARR  
ATTORNEY FOR GRAND PRODUCTION COMPANY
