Re: Application of David H. Arrington Oil and Gas, Inc. for a Non-Standard  
Proration Unit, Lea County, New Mexico

Gentlemen:

This letter is to advise you that David H. Arrington Oil and Gas, Inc. has filed an application with the New Mexico Oil Conservation Division seeking approval of a non-standard proration unit in the Jalmat Gas Pool consisting of the E/2 NW/4 and W/2 NE/4 of Section 21, Township 24 South, Range 37 East, N.M.P.M., Lea County, New Mexico.

This application has been set for hearing before a Oil Conservation Division Examiner on February 7, 1990. You are not required to attend this hearing, but as an owner of an interest that may be affected by the non-standard proration unit, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Very truly yours,
