

**PROPOSED ADMINISTRATIVE PROCEDURE
FOR APPROVAL OF HORIZONTAL DRILLING
DIABLO FUSSELMAN POOL**

A. The Director shall have the authority to administratively approve an intentionally deviated well in the Diablo Fusselman Pool for the purpose of penetrating the formation by means of a wellbore drilled horizontally, provided the following conditions are complied with:

- (1) The surface location of the proposed well is a standard location under these rules or the applicant has obtained Division approval of an unorthodox surface location.
- (2) The bore hole shall be no closer than ~~100~~ ³³⁰ feet to the outer boundary of the proration unit unless the offsetting tract is a different lease, in which case the bore hole shall be no closer than ~~60~~ ³³⁰ feet from the offsetting tract.

B. To obtain administrative approval to drill an intentionally deviated horizontal wellbore, the applicant shall file such application with the Santa Fe and Artesia offices of the Division and shall further provide a copy of such application to all operators or owners of undrilled tracts offsetting the proposed proration unit for said well by registered or certified mail, and the application shall state that such notice has been furnished. The application shall further include the following information:

- (1) A copy of Division Form C-102 identifying the proposed proration unit to be dedicated to the well.
- (2) Schematic drawings of the proposed well which fully describe the casing, tubing, perforated or open hole interval, kick-off point, and proposed trajectory of the drain hole section.

The Director may approve the application upon receipt of written waivers from all parties described above or if no objection to the intentionally deviated horizontal wellbore has been entered within 20 days after the Director has received the application. If any objection to the proposed intentionally deviated horizontal well is received within the prescribed time limit as described above, the Director shall, at the applicant's request, set said application for public hearing.

C. During or upon completion of drilling operations the operator shall further be required to conduct a directional survey on the vertical and lateral portions of the wellbore and shall submit a copy of ~~said~~ ^{all} survey to the Santa Fe and appropriate District offices of the Division.

D. The Division Director, at his discretion, may set any application for intentionally deviated horizontal wellbores for public hearing.

Gentlemen:

This letter is to advise you that Stevens Operating Corporation has filed the enclosed application with the New Mexico Oil Conservation Division seeking the promulgation of Special Pool Rules for the Diablo-Fusselman Pool which provide for administrative approval of horizontal drilling.

This application has been set for hearing before an Examiner of the Oil Conservation Division on May 16, 1990. You are not required to attend this hearing but as an operator of a well or owner of an unleased mineral interest within the proposed pool, or as an operator of a well within one mile of the boundaries of the proposed pool, you may appear and present testimony. Failure to appear and become a party of record in this case will preclude you from challenging this matter at a later date.

Very truly yours,

Re: Application of Stevens Operating Corporation for Special Pool Rules, Chaves
County, New Mexico

Gentlemen:

This letter is to advise you that Stevens Operating Corporation has filed the enclosed application with the New Mexico Oil Conservation Division seeking the promulgation of Special Pool Rules for the Diablo-Fusselman Pool which provide for administrative approval of horizontal drilling.

This application has been set for hearing before an Examiner of the Oil Conservation Division on May 16, 1990. You are not required to attend this hearing but as an operator of a well or owner of an unleased mineral interest within the proposed pool, or as an operator of a well within one mile of the boundaries of the proposed pool, you may appear and present testimony. Failure to appear and become a party of record in this case will preclude you from challenging this matter at a later date.

Very truly yours,

WILLIAM F. CARR

Re: Application of Stevens Operating Corporation for Special Pool Rules, Chaves
County, New Mexico

Gentlemen:

This letter is to advise you that Stevens Operating Corporation has filed the enclosed application with the New Mexico Oil Conservation Division seeking the promulgation of Special Pool Rules for the Diablo-Fusselman Pool which provide for administrative approval of horizontal drilling.

This application has been set for hearing before an Examiner of the Oil Conservation Division on May 16, 1990. You are not required to attend this hearing but as an operator of a well or owner of an unleased mineral interest within the proposed pool, or as an operator of a well within one mile of the boundaries of the proposed pool, you may appear and present testimony. Failure to appear and become a party of record in this case will preclude you from challenging this matter at a later date.

Very truly yours,

Re: Application of Stevens Operating Corporation for Special Pool Rules, Chaves
County, New Mexico

Gentlemen:

This letter is to advise you that Stevens Operating Corporation has filed the enclosed application with the New Mexico Oil Conservation Division seeking the promulgation of Special Pool Rules for the Diablo-Fusselman Pool which provide for administrative approval of horizontal drilling.

This application has been set for hearing before an Examiner of the Oil Conservation Division on May 16, 1990. You are not required to attend this hearing but as an operator of a well or owner of an unleased mineral interest within the proposed pool, or as an operator of a well within one mile of the boundaries of the proposed pool, you may appear and present testimony. Failure to appear and become a party of record in this case will preclude you from challenging this matter at a later date.

Very truly yours,

WILLIAM F. CARR
