Re: Applications of Osborn Heirs Company for Compulsory Pooling, Lea County,
New Mexico

Gentlemen:

This letter is to advise you that Osborn Heirs Company has filed the enclosed applications with the New Mexico Oil Conservation Division seeking an order for pooling all mineral interests to the base of the San Andres formation for any and all formations and/or pools developed on 40-acre spacing, in and under four tracts in Section 20, Township 17 South, Range 37 East, N.M.P.M., Lea County, New Mexico. Osborn Heirs Company proposes to dedicate the referenced pooled units to wells to be located at standard locations on each tract in said Section 20.

These applications have been set for hearing before a Division Examiner on May 16, 1990. You are not required to attend these hearings, but as an owner of an interest that may be subject to pooling, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging these applications at a later date.

Very truly yours,

WILLIAM F. CARR
