*Case
10083*

Gentlemen:

Reference is made to your letter dated September 5, 1990, received on September 10, 1990, concerning the subject application of Mesa Operating for compulsory pooling of the FC State Com #25 Well. A copy of the application was not enclosed with your letter and we assume we will be given additional time to review our position in relation to this well. It concerns us when the letter proposing the well is dated September 4, 1990, and the letter advising us of a set hearing date is dated September 5, 1990. It would seem that an advance notice of a well proposal would help all the parties concerned in the well.

Yours very truly,
