Re: Dagger Draw South Pool Rules

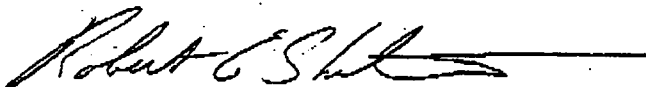

Dear Mr. McWhorter:

Nearburg Exploration Company and Nearburg Producing Company support Yates Petroleum Corporation's proposal for permanent field rules in the Dagger Draw South field. We support Yates' proposal of spacing rules of 320 acres, a 1400 barrel per day allowable and a 10,000 GOR.

This is our authorization for you to represent to the Commission in your December 3, 1992 hearing that Nearburg is an operator in the pool and supports your proposal.

Thank you for your cooperation.

Yours very truly,

Robert Shelton
