Township 20 South, Range 24 East

Eddy County, New Mexico

Dear Mr. Stogner:

Yates Petroleum Corporation requests administrative approval for the above captioned location as provided for under NMOCD Rule 104 F. This will be an 8100' oil well in the South Dagger - Upper Pennsylvanian Associated Pool with a 320.00 acreage spacing and proration unit. Yates is the only owner or operator of all the surrounding lands except for Fina, which has a .7% intent in the same proration unit and has been asked to join in the drilling of this well. They will also be sent a waiver and copy of this letter.

I have enclosed a copy of the Form C-102 or plat of the well and a lease map to show offset acreage. We ask for your administrative approval for this well in South Dagger Draw zone and should you need anything further, please call me.

Thank you.

Very truly yours,

YATES PETROLEUM CORPORATION
