526 Sandy Mtn. Dr. Sunrise Beach, Texas 78643 915-388-3674

November 21, 1990 fax for Ernest Carroll.

Our proration unit is advertised as

321.58 acres and it is actually 321.36 acres. I got this from Federal Abstract, Danny Gonzales and it checks because lot 1 is 40.64 acres on my Federal Lease # 68000.

Lot 2 shows 40.72 on Midland Map & Danny says same.

Can we correct it at the hearing without re advertising??? Hope so.

Thank you.
