TO: INTERESTED PARTIES

FROM: WILLIAM J. LEMAY, Director, Oil Conservation Division *JHM for WJL*

SUBJECT: NEW OIL AND GAS RULE BOOK AND REVISED FORMS

DATE: MARCH 22, 1990

-----  
The Oil Conservation Division has repromulgated every rule effective March 1, 1991. The new rules are substantively the same as the previous rules, but reformatted in some cases.

A revised oil and gas rule book is now available from the Santa Fe and District offices of the Division. The new rule book will be in a loose leaf notebook and will include pamphlets containing the oil and gas related statutes. Revisions will be mailed periodically in the future to all persons who order the new rule book. There will be a charge of \$30.00 for the rule book. Contact any Division office by mail or telephone to place your order. An invoice will be sent with the book.

Revised Forms: Many Division reporting forms in an updated format are also now available from Division offices without charge.
