Dear Mr. LeMay:

Our firm represents Pacific Enterprises Oil  
Company (USA) in the referenced cases.

Our witnesses for hearing of these cases now set  
for February 21, 1991 have a conflict and cannot  
attend.

Accordingly, I would appreciate these two cases  
being continued to the next available Examiner hearing  
now set for March 7, 1991.

Very truly yours,

Re: Application for Establishment of Statewide  
Gas Spacing for the McMillian-Morrow Gas  
Pool, or Alternate Remedies Including an  
Unorthodox Gas Well Location and Spacing  
Unit, Eddy County, New Mexico,  
Pacific Enterprises Oil Company (USA)

Dear Mr. LeMay:

On January 29, 1991 we filed for hearing on  
February 21, 1991 the referenced application. The  
purpose of this letter is to advise you and all parties  
to whom we sent notification that the original  
application had a typographical error on the first page  
when it sought to exempt Section 18 from the  
downspacing of the pool. In fact, the correct two  
sections proposed to be exempted are 13 and 19. Mr.  
Stogner of your office has already made the changes  
necessary for the OCD docket notice and newspaper.

Very truly yours,

  
W. Thomas Kellahin
