Case 5202

Re: Application of Getty Oil Company for an Unorthodox
Gas Well Location, Eddy County, New Mexico.

Dear Mr. Ramey:

Enclosed in triplicate is the Application of Getty Oil
Company in the above-referenced case. We respectfully request
that this matter be included on the docket for the Examiner
hearing scheduled for June 6, 1984.

Your attention to this request is appreciated.

Very truly yours,

William F. Carr

RECEIVED

MAY 11 1984

OIL CONSERVATION DIVISION

IN THE MATTER OF THE APPLICATION
OF GETTY OIL COMPANY FOR AN UNORTHODOX
GAS WELL LOCATION, EDDY COUNTY, NEW
MEXICO.

Case 8202

APPLICATION

COMES NOW Getty Oil Company, by and through its undersigned attorneys and hereby makes application to the Oil Conservation Division for an order approving an unorthodox gas well location and in support thereof, respectfully states:

1. Applicant is the operator of the Pennsylvanian formation underlying Section 32, Township 21 South, Range 24 East, N.M.P.M., Eddy County, New Mexico and proposes to drill the Getty IB 32 State No. 1 Well to test this formation at an unorthodox location 1320 feet from the South line and 660 feet from the West line of said Section 32.

2. Applicant seeks an exception to the well location requirements of the Special Pool Rules for the Indian Basin Morrow Gas Pool (Order R-2441) and the Special Pool Rules for the Indian Basin-Upper Pennsylvanian Gas Pool (Order R-2440) to permit the drilling of the Getty IB 32 State No. 1 Well at the above-mentioned unorthodox location.

3. A standard 640-acre gas spacing unit comprised of the said Section 32 will be dedicated to the well.

4. That approval of this application will afford applicant the opportunity to produce its just and equitable share of gas under said Section 32 and will protect correlative rights.

WHEREFORE, Getty Oil Company requests that this application be set for hearing before a duly appointed examiner of the Oil Conservation Division, that notice be given as required by law and the Rules of the Division, that the Division enter its order granting the applicant permission to drill the Getty IB 32 State No. 1 Well 1320 feet from the South line and 660 feet from the West line of said Section 32.

Respectfully submitted,

CAMPBELL, BYRD & BLACK, P.A.
