TRANSCRIPT OF HEARING

Division:

Jeff Taylor
Counsel for the Division
Oil Conservation Division
State Land Office Bldg.

1 MR. STOGNER: Call next Case
2 No.8607.

3 MR. TAYLOR: Application of
4 ARCO Oil and Gas Company for special pool rules, Rio Arriba
5 County, New Mexico.

6 MR. STOGNER: To set the record
7 straight, the OCD was notified that this case would be
8 dismissed by Mr. William Carr, attorney for ARCO, sometime
9 yesterday morning.

10 An unknown person--after that--
11 called me and inquired about the case. I informed him that
12 it was dismissed.

13 Later that afternoon Mr.
14 William Carr informed the OCD that the dismissal was a
15 mistake and that this case should be continued instead.

16 MR. CARR: Mr. Stogner, in my
17 own defense, if I could state that there is a farmout on
18 certain acreage that as long as this case remains in place
19 can be extended under an agreement. This case will be
20 dismissed on July 31, but we have to leave this in place
21 until we either get a well started on the acreage or get
22 some favorable disposition in this matter. And that's why
23 we had to change that.

24 MR. STOGNER: Well, in all fair-
25 ness, Mr. Carr, why shouldn't this case be dismissed now?

MR. CARR: Because if you do we'll have a farmout on certain acreage and you see there's a parallel case, 8634, which is going to be heard by you later today.

If that case is granted then we would be able to go ahead with development and at that time would be able to then go ahead and dismiss Case 8607.

We don't believe that case will be opposed and therefore anticipate that we can get the well drilled during the month of July, which will enable us to dismiss then Case 8607.

MR. STOGNER: In all fairness, Mr. Carr, I think this case should be dismissed and if ARCO wants another application like this, they should then make a new filing.

So by the first request of the applicant, Case 8607 will be dismissed.

(Hearing concluded.)

I do hereby certify that the foregoing is a correct and true copy of the proceedings in the above captioned case, as heard by me on _____ 19____.
