Re: Harvey E. Yates Company
Application for Compulsory Pooling
Township 16 South, Range 37 East, N.M.P.M.
Section 8: N/2 SE/4
Lea County, New Mexico

Dear Mike:

Enclosed for filing is our Application in the above-referenced matter. After our telephone conversation yesterday, we decided to apply for pooling as to NE/4 SE/4 of Section 8 from the surface to the top of NE Lovington Penn Pool, and for the N/2 SE/4 in the interval comprising the NE Lovington Penn Pool. As you mentioned, this will require readvertising, however, we would still like to go ahead with the hearing on February 19, 1986.

If you have any questions, please let me know.

Yours truly,

Robert H. Strand
