NMOCD Case 8843

Dear Mike:

We presented this case to you at the hearing of March 5, 1986. On March 31, 1986 we submitted to you proof that Yates had waived any objection. I believe that this case is ready for decision and I would appreciate you checking on the status of an order.

Very truly yours,

NMOCD Case 8843
Tucker #5 SWD Well
310 FSL & 1310 FWL
Section 24, T7S, R32E

Dear Mr. Stogner:

On March 5, 1986, we presented to you at hearing the referenced salt water disposal case. At the hearing Mr. Taylor raised a question about the possible interest of Yates Petroleum Corporation in this case because the land plat showed that Yates had an interest within one-half mile radius.

On March 6, 1986, we sent by certified mail return receipt a completed Form C-108 to Yates and have now received back from them the enclosed waiver letter dated March 25, 1986.

I believe that this completes this case and it is now ready for your decision and order. Please call me if there is anything else needed by you.

Very truly yours,

W. Thomas Kellahin
