Case 8869

Dear Bill,

Per your letter dated January 31, 1986 I am unable to set this case to hearing at this time pending an new operator being named for the proposed well and unit. On Tuesday, February 11, 1986, I contacted Mr. Jack Ahlen of Roswell who informed me that a new operator has not even been named yet. I am therefore holding this application until such time that you could provide me this information.

If you should have any question's concerning this matter, please contact me.

Sincerely,

Michael E. Stogner
Acting Chief Engineer
