Re: Application of Merrion Oil & Gas
Corporation to NMOCC--Case No. 9063

Dear Mr. Roberts:

As we have discussed, I am forwarding for your information certain additional data and copies of gas purchase agreements related to El Paso's takes of gas from the Cavilan Mancos Oil Pool in Rio Arriba County, New Mexico. The information which I had provided in my February 19, 1987 letter to you had inadvertently been incomplete in certain respects regarding El Paso's purchasing practices. I have since learned that El Paso is purchasing production from the following wells, in addition to the Hawk Federal No. 3 well, under the contracts identified with each well:

	<u>Seller</u>	<u>Contract No.</u>	<u>Date</u>	<u>Percentage Interest</u>
1.	<u>Hill Federal No. 1</u> Dugan Production	604M	6/1/85	50.000%
2.	<u>Lindrith B Unit No. 34</u> Tenneco	875L	5/9/84	25.000%
3.	<u>Lindrith B Unit No. 37</u> Tenneco	875L	5/9/84	25.000%
4.	<u>Lindrith B. Unit No. 38</u> Tenneco	875L	5/9/84	25.000%
5.	<u>Divide No. 1 Man</u> Dugan Production	604M	6/1/85	100.000%

Tommy Roberts, Esq.
March 3, 1987
Page 2

6.	<u>Tapacitos No. 2</u> Dugan Production	604M	6/1/85	100.000%
7.	<u>Tapacitos No. 4</u> Dugan Production	604M	6/1/85	100.000%

Data pertaining to production from these wells is included in the enclosed material.

Please let me know if there are any questions.

Sincerely,

JFN/jbla/144
