Re: Maxus Exploration Company
Federal #3-19143; 660' FSL
and 1650' FWL of Section 34,
Township 22 South, Range 34 East
Lea County, New Mexico

Gentlemen:

Belnorth Petroleum Corporation has been notified by Maxus Exploration Company of its intention to apply for an unorthodox location of 660' FSL and 1650' FWL of Section 34, Township 22 South, Range 34 East, Lea County, New Mexico. We are advised that the subject well is to be drilled to an objective depth of approximately 13,500' sufficient to test the Morrow formation.

Please be advised that Belnorth Petroleum Corporation hereby waives any objection to protest said unorthodox location as to the Morrow formation and all formations above said Morrow formation.

Should you require any additional information, please so advise.

Yours very truly,
