Case No. 9281

OIL CONSERVATION DIVISION
APPLICATION

H. L. Brown, Jr., by and through his attorneys, Padilla & Snyder, states in support of his Application for Approval of an Unorthodox Well Location located 650 FNL and 330 FEL of Section 28, Township 7 South, Range 37 East, N.M.P.M., Roosevelt County, New Mexico, as follows:

1. Applicant is the operator of oil and gas leases in Section 28, Township 7 South, Range 37 East, N.M.P.M., Roosevelt County, New Mexico.

2. Applicant desires to drill the Federal 28 Com No. 1 Well located 1650 FNL and 330 FEL of said Section 28, to test the Devonian and the Wolfcamp formations.

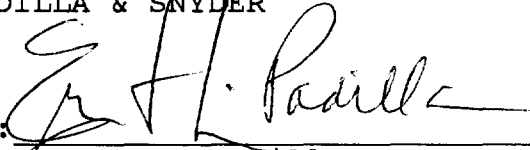

3. That the subject well is subject to the Bluit Wolfcamp Gas Pool Rules which provide for 320-acre spacing and proration units and for well locations not closer than 660 feet from the side of the proration unit.

4. That the subject well is also subject to the North Bluit Siluro-Devonian Pool Rules which are under consideration before the Oil Conservation Division in Case No. 9270; no objection to these proposed pool rules was made at the hearing of Case No. 9270.

5. That a copy of this application is being mailed to all affected interest owners within Section 28 and to all offsetting operators, if any, that may be affected by this Application.

WHEREFORE, Applicant requests that this Application be set for hearing before an Examiner of the Division and that after notice and hearing the Application be granted as requested.
