Dear Gentlemen:

Due to terrain problems, geological reasons, and the presence of a gas pipeline, Bettis, Boyle & Stovall has applied for an unorthodox location to drill the above named well as shown on the attached Application to Drill and plat.

If you, as an offset operator to this lease, have no objection to the granting of this special permit, we would appreciate your signing in the space provided below and returning one copy of this letter to us at your earliest convenience.

Yours very truly,

Bettis, Boyle & Stovall
