Application of Union Pacific Resources Company for Directional Drilling and Unorthodox Subsurface Location, OCD Case 9440

Dear Mr. Stogner:

TRAME !

Upon my application for Union Pacific Resource Company, the above referenced applications have been set for a July 20, 1988 hearing date.

Union Pacific Resources respectfully requests that these two cases be continued to the Examiner's docket scheduled for August 17, 1988 in order to obtain and analyze data in support of special rules, including the appropriate spacing for the pool.

Very truly yours

W. Thomas Kellahin
