1 MR. LEMAY: Good morning. This
2 is the Oil Conservation Commission so if you're here for
3 unemployment benefits, go somewhere else.

4 Also, I'd like to introduce
5 our new commissioner, Mr. Bill Weiss. That's W-E-I-S-S not
6 W-I-S-E, because we'll see how wise he turns out to be.
7 But we're very pleased to have him. He's just taking Ernie
8 Brostuen's place and those of you who attended the Gavilan
9 hearing or have been down to Socorro know Bill is a quali-
10 fied petroleum engineer, spent some time in the oil patch
11 and he could be a great compliment to the Commission.

12 First I'd like to call Case
13 Number 9667.

14 MR. STOVALL: Application of
15 Midland Phoenix Corporation for an unorthodox gas well
16 location and compulsory pooling, Lea County, New Mexico.

17 This case is being readver-
18 tised. It was heard at the previous Commission hearing.

19 MR. LEMAY: Is there anything
20 -- anyone who that has anything to say and present in Case
21 9667?

22 If not, the Commission will
23 take that case under advisement.
