Dear Mr. Beardemphl:

I am unable to consider your application for an unorthodox gas well location at this time. Division General Rule 104 F.(I) does not allow administrative authorization for such circumstances that exist for the subject well. I will therefore set this matter on the next available Hearing Examiner's docket schedules for July 12, 1989.

If you should have any questions concerning this matter, please contact me.

Sincerely,

Michael E. Stogner

Dear Mr. Vandiver:

Per your letter dated September 5, 1989, the subject case was dismissed at the September 6, 1989 Examiner Hearing before Michael E. Stogner. Please be advised, however, should said well be completed as a producing well in any formation deeper than the San Andres formation and have designated thereto a 320-acre spacing unit, it will be necessary to obtain approval for an unorthodox location for this well only after notice and hearing.

If you should have any questions concerning this matter, please contact Michael E. Stogner in the Santa Fe Office at 827-5811.

Sincerely,

WILLIAM J. LEMAY
