Re: Application of Chi Operating, Inc. for Compulsory Pooling, Roosevelt  
County, New Mexico

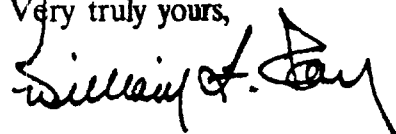

Gentlemen and Ms Johnson:

This letter is to advise you that Chi Operating, Inc. has filed an application with the New Mexico Oil Conservation Division seeking the force pooling of all mineral interests in all formations developed on 320-acre spacing from the surface to the base of the San Andres formation in the W/2 of Section 5, Township 8 South, Range 37 East, N.M.P.M., Roosevelt County, New Mexico. Chi Operating, Inc. proposes to dedicate the above-referenced pooled acreage to a well to be located at an orthodox location.

This application has been set for hearing before a Division Examiner on September 19, 1991. You are not required to attend this hearing, but as an owner of an interest that may be subject to pooling, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases have been requested by the Division (Memorandum 2-90) to file a Prehearing Statement substantially in the form prescribed by the Division. Prehearing statements should be filed by 4:00 o'clock p.m. on the Friday before a scheduled hearing.

Very truly yours,

WILLIAM F. CARR
