OIL CONSERVATION DIVISION

IN THE MATTER OF THE APPLICATION  
OF MORRIS R. ANTWEIL FOR COMPULSORY  
POOLING, LEA COUNTY, NEW MEXICO.

Case 8300

APPLICATION

Comes now, Morris R. Antweil, by and through his undersigned attorneys and, as provided by §70-2-17, N.M.S.A. (1978), hereby makes application for an order pooling all of the mineral interests from the surface to the base of the Blinbry formation in and under the NE/4 NW/4 of Section 7, Township 20 South, Range 38 East, N.M.P.M., Lea County, New Mexico, and in support thereof would show the Division:

1. Applicant owns or represents approximately 84% of the working interest in and under the NE/4 NW/4 of Section 7, and applicant has the right to drill thereon.

2. Applicant proposes to dedicate the above-referenced pooled unit to a well to be drilled at an orthodox location in the NE/4 NW/4 of said Section 7.

3. Applicant has sought and obtained either voluntary agreement for pooling or farmout from all other interest owners in the NE/4 NW/4 of Section 7 except the following owners of mineral interests:

Roy G. Barton	19/320 Mineral interest
Tenneco Oil Company	3/32 Mineral interest

Millie B. Jones (address  
unknown)

1/320 Mineral interest

4. Said pooling of interests and well completion will avoid the drilling of unnecessary wells, will prevent waste and will protect correlative rights.

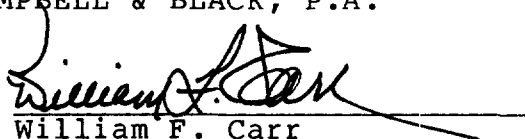

5. In order to permit the applicant to obtain its just and fair share of the oil and gas underlying the subject lands, the mineral interest should be pooled and applicant should be designated the operator of the well to be drilled.

WHEREFORE, applicant prays that this matter be set for hearing before the Division's duly appointed Examiner on August 8, 1984, and that after notice and hearing as required by law, the Division enter its order pooling the lands, including provisions for applicant to recover its costs of drilling, equipping and completing the well, its costs of supervision while drilling, and after completion including overhead charges, and imposing a risk factor for the risk assumed by the applicant in drilling, completing and equipping the well, and making such other and further provisions as may be proper in the premises.

Respectfully submitted,

CAMPBELL & BLACK, P.A.
