Re: Southland Royalty Case
NMOCD 8362
Forced Pooling
T18S, R29E, Eddy County
Sec 16: W/2

Dear Mr. Quintana:

At the October 3, 1984, hearing of the above referenced case I entered my appearance on behalf of Cities Service Oil & Gas Corporation.

At the hearing Mr. Carr limited the testimony and application to the pooling of Mr. Trigg's interest in the Morrow formation, notwithstanding the fact that the application has been docketed to pool all of the Pennsylvanian formations.

It is my understanding that Cities Service Oil & Gas Corporation has agreed to farmout its interest in the Morrow formation to Southland, but there has been no discussions or requests from Southland to include any other formations at this time.

Accordingly, we would request that the pooling order entered pursuant to the referenced hearing be limited only to the Morrow formation.

Very truly yours

W. Thomas Kellahin
