MR. STAMETS: The hearing will please come to order.

This morning first I'm going to call the last three cases which have each been continued to the January 7th Commission hearing.

Those would be Cases 8614, application of Yates Petroleum for an exception to the Special Rules and Regulations for the Bluit-San Andres Associated Pool;

Case 8640, application of Caulkins Oil Company for compulsory pooling, downhole commingling, and dual completion, Rio Arriba County;

And application -- or Case 8463, application of David Fasken for termination of prorationing in the Burton Flat-Morrow Gas Pool, Eddy County, New Mexico.

Each of those cases is continued to that next Commission Hearing.
