Re: Case 8466
Unorthodox Gas Well Location
Allison Unit #26A
1180'N, 2440'E, Sec. 9, T-32-N, R-7-W
San Juan County, New Mexico
Blanco Mesa Verde Pool

Dear Mr. Stogner:

This case was scheduled on the Docket to be heard on February 13, 1985. Due to a revision in our 1985 Drilling Program, this well location has been dropped and will not be drilled in 1985.

Please cancel Case 8466 from Docket No. 5-85. In the future, when this well is scheduled to be drilled, El Paso will reapply for a hearing at that time.

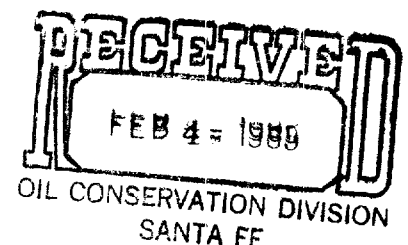

Thank you for your help in this matter.

Sincerely,

A handwritten signature in dark ink, appearing to read "G. W. Brink", written in a cursive style.

G. W. Brink
Project Drilling Engineer
