Gentlemen:

We are in receipt of your administrative application dated December 17, 1984 and received in our office on December 27, 1984 requesting permission to down-hole commingle the Jalmat Yates- Seven Rivers and Langlie Mattix Seven Rivers Queen production in your C. D. Woolworth No. 7.

Please accept this letter as our waiver of any objection to your administrative request, with the one stipulation that by acceptance of our waiver, Gulf agrees to execute a like waiver in the event we perform similar additional development work on our recently acquired Van Zandt lease (the west offset to Gulf's C. D. Woolworth lease) situated in the SE/4 Section 25, T-24-S, R-36-E. At this time, we are contemplating additional work but have not proceeded with any paperwork due to a busy schedule elsewhere.

If you agree to accept our waiver with the above stipulation and to notify the Commission of our waiver, please execute one copy of this letter and return it to this office.

Very truly yours,

Doyle Hartman

Agreed and accepted this _____
