*Case 5924*

Dear Mr. Stamets:

Our firm represents Mr. Burleson who filed the referenced administrative application with the Division by letter dated February 28, 1986. By letter dated March 10, 1986, Doyle Hartman filed his objection and requested that Mr. Burleson's case be set on the Commission docket of April 9, 1986.

Mr. Burleson requests that his case be set for hearing on the ~~May, 1986, Commission~~ docket and not on the April docket. In addition, I already have pending on that docket numerous cases and I am unable to prepare Mr. Burleson's case in time for that docket.

Very truly yours,
