Subject: Unorthodox Well Location Application  
SE Dean Federal "10" #1 Well  
NE Lovington-Pen Pool  
Section 10, T16S, R37E  
Lea County, New Mexico

*Case No. 8927 M.S.*

Mesa Operating Limited Partnership is in receipt of a letter dated May 29, 1986 by and through which the law firm of Kellahin and Kellahin on behalf of BHP Petroleum Company, Inc. requested you to set for hearing their application for the above-referenced unorthodox well location.

Please be advised that Mesa Operating Limited Partnership, as an operator of lands offsetting BHP's proposed location, has no objection to said location and hereby supports BHP's application.

Very truly yours,

*Mark W. Seale*
