Re: Application of Mesa Grande
Resources for Compulsory Pooling
NMOCD Case 9035

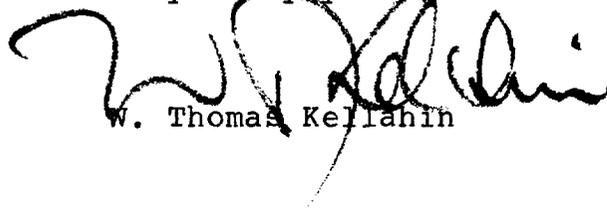

Dear Mr. Stamets:

Our firm represents Jerome P. McHugh who is named in the referenced case as a party to be pooled. Mr. McHugh first became aware of this case as a result of receiving the Division docket on November 12, 1986.

Contrary to Division Order R-8054 and Rule 1207 the applicant has failed to provide Mr. McHugh with the appropriate notice. Mr. McHugh lacks sufficient notice in time to prepare his case for the scheduled hearing on November 19, 1986.

Accordingly, on behalf of Mr. McHugh we move that the subject application be dismissed for failure to comply with Order R-8054 and Rule 1207.

Very truly yours,

W. Thomas Kellahin

Intruder No. 1 Well

Section 20: E/2

Dear Ms. Michael:

Please furnish Kenai Oil and Gas Inc. a letter acknowledging that Mesa Grande Resources, Inc.'s AFE, mailed July 14, 1986, is still valid (see copy of attached transmittal letter).

Kenai is discussing its AFE with a party who is looking at purchasing the captioned property and we anticipate notifying Mesa Grande within ten (10) days as to whether we will participate in the drilling of the well under the July 14, 1986 AFE, or will farm out to an interested party.

We regret that we cannot attend the hearing before the New Mexico Oil Conservation Division on December 3, 1986; however, we are sending a copy of this letter for the Commission's records and file.

Please send us any exhibits that Mesa Grande will be of using at the hearing for Kenai Oil and Gas Inc.'s review.

Yours very truly,
Kenai Oil and Gas Inc.

Re: Intruder #1 Well
E/2, Section 20-25N-2W

Gentlemen:

Please find enclosed a revised Authority for Expenditure (AFE) for the above referenced well.

This revised AFE more accurately reflects the current costs within the well area and also is the result of changes in our planned completions.

If you have already signed our previously submitted AFE, you need not sign this one; please retain it for your records. If you have not approved our initial AFE, we respectfully request that you return one executed copy of the enclosed as soon as possible so as to avoid unnecessary delays and pooling action.

We appreciate your prompt response.

Very truly yours,
