Carlsbad Area

Gentlemen:

Please be advised that Santa Fe Energy Operating Partners, L.P. has applied to the New Mexico Oil Conservation Division for a compulsory pooling action of your interest under the referenced test. This hearing has been set for December 3, 1986. Santa Fe feels this action is necessary due to an early 1987 lease expiration date. It is hoped that a voluntary agreement can be reached in short order in order to avoid the necessity of the hearing.

In this regard, and in conjunction with Santa Fe's well proposal letter of October 16, 1986, it is requested that you provide Santa Fe with your written election as soon as possible.

Sincerely,

SANTA FE ENERGY OPERATING PARTNERS, L.P.

By Santa Fe Pacific Exploration Company  
as Managing General Partner
