

A hand-drawn map showing a proposed location for a station. The map features a grid with horizontal and vertical axes labeled with numbers (100, 110, 120, 130, 140). A red line connects several points, with labels like "PROPOSED LOCATION" and "Section 4". Green arrows indicate directions or paths. Various other numbers (e.g., 190, 180, 170, 160, 150, 140) are scattered around the central area.
